Commissioner for Patents
Washington, D.C. 20231

Sir:

In response to the Office Action dated March 30, 2001, please amend the above-
identified application as follows:

IN THE DRAWINGS:

See the concurrently filed Request for Approval of Proposed Drawing Corrections.

IN THE SPECIFICATION:

Page 2, please delete the first full paragraph, and replace it with the following new
paragraph:

A. To further increase heat exchange between the stator and the fairing of the pod, provision
can be made for the fairing of the pod to be an interference fit on or to intimately contact the
